A Letter from our Pastor :

Dear Parent,

We are so excited that you are considering Maranatha Christian Academy for your students' education. We dedicate ourselves, each and every day, to this task. Our desire is to prepare your student to function in our culture and society.

We here at MCA believe the statement from Proverbs, "The fear of the LORD is the beginning of wisdom," is crucial when executing a high level of education. Therefore, we believe that our instruction and teaching must always have Christ and the Scriptures at the heart of the educating.

When your student graduates MCA, they will have learned essential skills such as reading, writing, and arithmetic and they will have learned how to think for themselves; how to formulate their own opinions on things, based on the facts presented; how to look at a situation and determine the best course of action; how to prioritize and execute when given multiple tasks; how to look at a problem and see a solution. Most of all, we want them to know that living the Christian life is experiencing the best life possible.

Thank you for your consideration. We hope to see your student next semester.

Sincerely,

Daniel S. Haifley, Th.D., D.D., H.D.

Senior Pastor of Maranatha Baptist Church
